

Dear Stirton Productions

I was fortunate enough to have seen the Movie (One Day Removals) in advance while offshore.

This is a must see film, I have told everyone about it, I laughed so much that I had tears rolling down my cheeks.

Sheer brilliance: who needs a Hollywood mega budget.

When this film hits the big screen I will be there to see it again.

I have told people from as far a field as Australia and they want to see it too.

Keep up the good work!!

John
